

For yourself, or as an unusual present for Birthdays, Christmas, Easter, Anniversaries

Give family & friends the shingles!

Support the community and help stop the church falling down

St Mary's steeple needs to be recovered as weathering has worn away the shingles (they are like tiles but made of wood - and it's a real blast up there!)

10,000 shingles will cost around £50,000 - that's a fiver each.

There is no money for it, hence this appeal - if every inhabitant bought ten, we'd sort it!

**** SPECIAL OFFER ****

your chance to write a prayer on a shingle that
will become an ever-present reminder in the spire

Would you like to help by buying some shingles?

...or, give some shingles to friends - they can write a prayer

Pick up a leaflet from St Mary's Church or local pubs / shops - or email requesting one
