

School & Youth Report

Connect on a Thursday is going well and growing, as a number of village youth have just turned 10 and have now joined. With over 20 young people now on the books, we often feel slightly under staffed, so please continue to pray for new leaders to help keep Connect safe and fun.

MayCamp is fast approaching. I have joined the MayCamp core leadership team and am really excited about this years programme. Please pray for our youth and leaders and also for all the attendees across the Diocese, that they will all be impacted by this years talks, sessions and seminars.

I have been so excited to see our older youth from the village really engaging and exploring their faith at Connect Extra in the Oast each month. Sunday Connect has also grown and is working well (and devouring a huge amount of crumpets on a Sunday morning).

Our links with the school have also strengthened. We now have a Monday 'Lunchtime Connect' on the playground that Rachel and I host. It has been really lovely to see some of the young people exploring their faith here.

After Easter, things have changed slightly with the school Collective Worship. I will be recapping the previous week's topic at assembly in school on a Monday and then be tackling the next topic in Church on a Wednesday morning.
